# Please Read Before Ordering

**TERMS**—While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

**PACKING**—On shipments beyond our free delivery zone, less than carload or truckload lots, a charge for packing material will be made at cost.

There is no charge made on packing 2¼" pot size plants. These liners, which are shipped to all parts of the country, are carefully packed in special, sturdy, lightweight cartons to insure safe, low cost delivery.

When ordering a carload or a truckload, packing, loading and bracing are free.

**CLAIMS**—Claims must be made immediately upon receipt of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company. Claims for damage or delay in transit should be filed with the transportation company. In this connection we shall be glad to assist you in any way we can.

**WE ARE A PINK TICKET NURSERY**—It certifies that stock from which shipment is made has been found free of pests not of general distribution in Los Angeles County and is released for planting in said county without further inspection.

**ACKNOWLEDGEMENT**—Your orders will be acknowledged promptly and shipments made as quickly as possible, so if your order is not acknowledged please advise us immediately. Sometimes, because of inclement weather, or the press of business, there may be a slight delay in shipping, but we assure you that this will not be more than is absolutely necessary.

**NON-WARRANTY**—The Monrovia Nursery Company will exercise care to have all plants true to name. Nevertheless, it is understood that should any plant prove otherwise, we shall not be liable for any sum greater than that paid for such plants as may prove untrue. If the purchaser does not accept the goods on these terms, they are to be returned at once.

**VISIT OUR NURSERY**—The latch string is always out at Monrovia Nursery Company. We'll be delighted to have you visit us at any time. A postcard or phone call in advance and we'll meet you at any local terminal and help you make reservations.

## *We want to help* **YOU SOLVE YOUR SALES PROBLEMS**

Each year when we of Monrovia Nursery Company send you our catalog, I wish it were possible for me to deliver it to you in person. I'd like to sit down and have a friendly talk with you about your present business problems, plans for the future and how we can help you with both. For you see, we realize that unless you, the retailer, are enjoying a profitable business, neither can we.

Since I can't talk with you personally, however, please let me remind you that the Monrovia Nursery Company's entire growing and merchandising facilities are geared to assist you in building a greater volume of sales with larger profits.

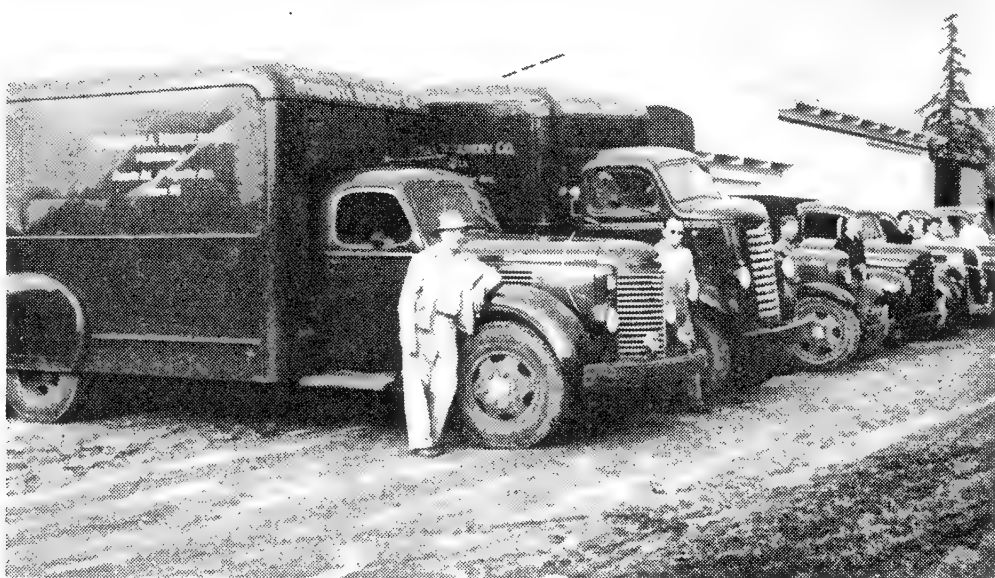

For example! Though we grow an unusually wide variety of sturdy carefully propagated stock, our salesmen are instructed to advise you which will not do well in your locality. Furthermore, they are cautioned to see that you do not over-buy on any item. Monrovia Nursery prices are such that you can take a large generous mark-up. And to insure you rapid turn-over, in addition to the higher quality of our stock, our salesmen discuss the conditions prevailing in your locality with both our research and merchandising specialists, who afford you the benefits of their vast experience. Add to these our large selection of Profit-Proved liners which are sent to you, specially packed in a new type, lightweight carton that cuts shipping costs and you'll understand how much the Monrovia Nursery Company can mean to your business.

One more thing. We can be of even greater assistance if you will only remember we are as near as your mail box . . . that we welcome hearing from you concerning any of your problems. Write us, won't you?
